

Leffler Field Community Input Meeting

May 13, 2024, 5:30pm

Manson Elementary School, 950 Totem Pole Road, Manson WA 98831

ATTENDANCE: Kurt Sixel, Dave Sneesby, Aniceto Guzman, Susie Fox, Gregg Neff, Brandt Cappell, Chris Willoughby, Eric Maise, Ryan Brownlee, Christina Barone, Doug England, Tabatha Mires, Kayla Gosvener, Robin Pittman, Timi Starkweather, Cathy Chevalier, Brian and Debra Patterson, Brett La Mar, Garth Williams, Arnold Baker, Richard Uhlorn

CALL TO ORDER: Mrs. Pittman began the meeting at 5:36pm.

INTRODUCTIONS: Mrs. Pittman and Mrs. Mires introduced key members of the Leffler Field project team.

HISTORY: Mrs. Pittman gave a brief history of Leffler Field and the partnership between Manson Parks and the Manson School District.

GRANTS/SEEK PROJECT FUNDING: Mrs. Pittman explained the funding used to acquire the property in 2019, the funding currently being used for soil remediation planning, and potential sources of funding for cleanup and development.

SOIL CONTAMINATION AND CLEANUP (ERIC MAISE): Mr. Maise described the planning efforts to date and elaborated on development possibilities.

PROPOSED SITE PLANS AND 2023 COMMUNITY SURVEY RESULTS: Mrs. Pittman presented 2 different site plans to the community, along with top amenities the community chose through our 2023 newsletter survey. After presenting all options, Mrs. Pittman opened the meeting up to questions.

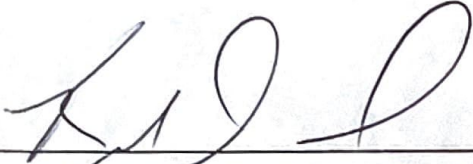

ATTENDEE INPUT GATHERING:

Mrs. Pittman gave instructions for providing input (dots, charts). Each attendee received 1 red sticker to put on their favorite concept plan, and 3 blue stickers to put on their favorite amenities. After community members provided input, the meeting was adjourned.
